

# ETGAR Weekly Challenge

Shabbat Parshat Emor, Lag BaOmer, Pesach Sheni  
12<sup>th</sup> Iyar 5779 - 17<sup>th</sup> May 2019

## Lag Ba'omer

1. Who died on *Lag Ba'omer*?
2. Given that the month of *Nissan* always has 30 days, on what day does *Lag Ba'omer* fall?
3. The *Omer* is like a countdown from *Pesach* to *Shavuot*. What events do we count down to? What event do you personally count down to?

1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31	32	33	34	35
36	37	38	39	40	41	42
43	44	45	46	47	48	49

## Parshah Discussion

שֵׁשֶׁת יָמִים, תַּעֲשֶׂה מְלָאכָה, וּבַיּוֹם הַשְּׁבִיעִי שָׁבַת  
שָׁבַתוֹן מִקְרָא-קֹדֶשׁ, כָּל-מְלָאכָה לֹא תַעֲשׂוּ  
“For six days you shall work and the seventh day  
is a day of resting, a holy time of meeting, when  
you do no work.” (Vayikra 23:3)

- Does the *Torah* say that it is a *mitzvah* to work for six days as well as to rest on *Shabbat*?
- What is the best thing about *Shabbat* for you?

## Brainteaser

Identify the word or phrase:

1. Apricots, Pears
2. Apples, Oranges
3. Grapes, Lemons
4. Limes, Plums
