## A Night to Remember

1. Why do we drink four glasses of wine on *Seder* night?
2. We do many things on *Seder* night to remind us of leaving Egypt. How many can you think of?
3. On *Seder* night, we are supposed to imagine that we are leaving Egypt. How is that different to just telling the story?
4. What is the best *Seder* night memory you have?

## Parshah Discussion

זאת תהיה תורת המצרע, ביום טהרתו  
“This shall be the law of the leper in the day  
of his cleansing...” (Vayikra 14:2)

- What else could become infected with leprosy other than people?
- How many people can you name who had leprosy in *Tanach*?
- The leper was kept outside the camp until he or she was cured. What people do we isolate today and why?

## Israeli Innovations: Cherry Tomato

Two professors at the Hebrew University cultivated the cherry tomato. Slow to ripen and resistant to rot, it has become popular all round the world.
